

## EXPLORE THE UNSPOILED BEAUTY OF THE KAOKOLAND

This 5 night package starts with two nights at Okahirongo Elephant Lodge after which you will depart on day three from Puros with a luxury closed and air-conditioned 4x4 vehicle – heading north to Okahirongo River Camp.

This journey is not just simply a transfer, but an exploratory trip deeper into Kaokoland. Discover the lunar landscape of gravel plains and ancient volcanic mountains of mica, schist, quartz crystals and marble. It's an adventure across the dauntingly bumpy mountain road marked only by a single blue or red drum. A bush lunch will be served in a beautiful spot.

Whether travelling to or from River Camp, clients will have the opportunity to stop and interact at very remote Himba villages and explore the abundant game of the Hartmann Valley....

After spending 2 nights at River Camp, the journey continues back to Puros – Elephant Lodge for a final night.
